

2016 ROSENDALE LEARNING FAIR

FRIDAY, MARCH 18, 2016, 6 P.M. TO 8:15 P.M.

The Rosendale Learning Fair is open for all grades to participate. It is a special time for the students to share what interests them. Fellow students, family members and teachers are invited to attend.

Come Show What You Know!

Open to all grades. Topics for the Learning Fair are far and wide.
They can be anything from a science experiment to stamp collecting.
When learning, no topic is too big or too small.

To participate, please complete the registration form below or email your registration to LEARNINGFAIR2016@GMAIL.COM

(Include your and your partner's:
NAME, GRADE, TEACHER, AND PROJECT TITLE)
by **Friday, March 11, 2016.**

NEW THIS YEAR: The Niskayuna High School Robotics Club will be at the Learning Fair to introduce our community to their latest robot and get Rosendale excited about all the possibilities Robotics Club offers students

Please contact Lisa Stevens (605-6683 or learningfair2016@gmail.com) with any questions.
