Welcome Back Ravens! Mrs. Brennan will be having a little help this year with a social worker intern joining the team. Here's some information on her:

Hello everyone! I am Katelyn Guarino and I will be a Social Work Intern for Ms. Jessica Brennan this year. Here are just a few facts about myself: I am a senior social work major at Siena College, I am from a very small town called DeKalb Junction in New York State, and if I could have any superpower it would have to be the ability to fly so I can fly with the Ravens. I am excited to meet all of you!

Cafeteria News

Rosendale 1st grade Families & New Families:

Our 1st-5th graders have the opportunity to purchase snacks in the cafeteria. As an effort to support family choices and preferences with food, as well as the health and nutrition of our learners, we are sending home this form for you to utilize if you so choose. If you would like to put parameters around your child's cafeteria purchases, please fill out this form and send it back in your child's Rosendale folder.

Please contact me with any questions.

Welcome Back Ravens Families!

I am so excited to begin the 2018-2019 school year with you all. From the onset, our kids have been engaged, attentive, and ready to learn, and there's no better way to start off the year than that. Thank you to all who were able to make it out to Back to School Night, we appreciated your attendance and participation.

As we start things up for this year, I just wanted to put out a couple of important dates and events to remember that are upcoming over these next few weeks:

-There is no school on Wednesday, 9/19, in observance of Yom Kippur. We wish all of our families recognizing Yom Kippur a good holiday.

-Our PTO Family Pizza Night is happening next Thursday, 9/20, beginning at 6 p.m., in our Cafeteria. Hope to see you there!

Lastly, as we will face many choices in our daily lives, as we have encouraged our students, I ask the same for our families- "Choose Growth" in all that you do!

Welcome back everyone!

Mr. D

How will you "Choose Growth" for 2018-2019?
